

## Preface

The Editorial Team of *Diadorim: revista de estudos linguísticos e literários* (open access journal) presents this issue of the volume 2025, comprised by two dossier: language and literature.

**This issue of the volume 27 of *Diadorim: revista de estudos linguísticos e literários*** is published by the Postgraduate Program in Vernacular Letters of the Faculty of Letters of the Federal University of Rio de Janeiro, which has the support of the Coordination for the Improvement of Higher Education Personnel (CAPES). The two dossiers compile texts organized around themes defined by researchers invited to act as editors of the present issue.

Following the recommended editorial guidelines, the editors of the issue assumed the function of, upon receipt of the articles, submitting them to the process of double-blind review among researchers who are linked to the thematic areas of the dossiers. The result of this practice is this issue.

We owe our gratitude to the guest editors of this issue:

### Language Dossier

Manuela Carnaval, Universidade Federal do Rio de Janeiro, Brasil  
Carolina Gomes da Silva, Universidade Federal da Paraíba, Brasil

### Literature Dossier

Anélia Montechiari Pietrani, Universidade Federal do Rio de Janeiro, Brasil

Adriana de Fatima Alexandrino Lima Barbosa, Universidade de Brasília, Brasil

Daiana Nascimento dos Santos, Universidad de Playa Ancha, Chile

We extend our thanks to the researchers who contributed with their expertise to the evaluation of the texts submitted to the two dossiers

that compose this issue of the journal. We also thank the authors who chose *Diadorim: revista de estudos linguísticos e literários* to publish their research.

We hope this issue will provide the reader with a broad overview of the questions that revolve around the themes proposed in the literature and language dossiers compiled in this publication. We wish you all a good reading! And we hope this issue can contribute to the circulation of knowledge and to the promotion of new debates.
