

Campina Grande, Brazil, April 23, 2021

To: Editor of Oecologia Australis

From: Camile Dias Avelino and Thelma Lúcia Pereira Dias

Dear Editor,

With great satisfaction, we submit the manuscript “**Coral diseases in northeastern Brazilian reefs**” for appreciation of Oecologia Australis. We inform that all authors agree to its submission. This manuscript is based on previously unpublished original research and has not been submitted simultaneously in other journal(s). We also affirm that this manuscript has no interest conflict with some potential referees.

All authors also agree that the article will only be published upon payment of the cost of the manuscript according to the value indicated on the Oecologia australis page. We provide below a list with names and other information about potential referees:
