MATERIAL SUPLEMENTAR

Apêndice 1. Lista de palavras-chave em inglês (presentes no título) utilizadas para busca ativa de artigos na base Scopus. A mesma combinação de palavras foi utilizada para buscar artigos no mundo, porém, sem o acréscimo da palavra “Brazil”. Apenas estudos elaborados com base em amostragem na costa brasileira foram considerados nesta tabela.

Appendix 1. List of keywords in English (present in the title) used for active search of articles in the Scopus database. The same combination of words was used to search for articles in the world, however, without the addition of the word “Brazil”. Only studies based on sampling on the Brazilian coast were considered in this table.

Combinação de palavras	N sem relação	N duplicados	N eleitos	N total
