

EDITORIAL *OECOLOGIA AUSTRALIS* 23(3) 2019

Oecologia Australis welcomes all readers of this journal with the third issue of 2019, which compiles spontaneous submissions. In December 2019, we also will launch the special issue “*Ecology of Wetlands*” by Dr. Camila Aoki, Dr. Arnildo Pott and Dr. Gudryan Barônio.

In August 2019, we also welcome 14 new Associate Editors:

Dr. Adam Douglas Canning, Massey University Wellington Fish and Game Council, New Zealand

Dr. Edson Gomes de Moura-Júnior, Universidade Federal do Vale do São Francisco, Brazil

Dra. Fabiana Gonçalves Barbosa, Universidade Federal do Rio Grande, Brazil

Dr. Fernando Henrique Antonioli Farache, Instituto Federal de Educação, Ciência e Tecnologia Goiano, Campus Rio Verde, Brazil

Dr. Gabriel Lima Medina Rosa, Universidade Estadual de Londrina, Brazil

Dr. José Max Barbosa Oliveira-Junior, Universidade Federal do Oeste do Pará, Brasil / Universidade do Algarve, Portugal

Dr. João Pedro Souza-Alves, Universidade Federal de Pernambuco, Brazil

Dra. Karina Dias da Silva, Universidade Federal do Pará, Brazil

Dr. Leandro Schlemmer Brasil, Universidade Federal do Pará, Brazil

Dr. Pedro Manuel Villa, Universidade Federal de Viçosa, Brazil

Dr. Reinaldo Lucas Cajaiba, Instituto Federal do Maranhão, Brazil

Dra. Thaísa Sala Michelin, Universidade Federal do Pará, Brazil

Dr. Vinicius José Giglio, Universidade Federal de São Paulo, Brazil

Dr. Wellington Hannibal, Universidade Estadual de Goiás, Brazil

We thank the graphical services of the Edições Athena, and our 38 Associate Editors for conducting the manuscripts revision process.

Oecologia Australis encourages the development and submission of ecological studies as well as the submission of opinion articles to stimulate the debate of current issues and on the future of Brazilian science and education.

Ana Cláudia Delciellos
Editor-in-Chief, *Oecologia Australis*
