

Lajeado (RS), Brazil, 01/04/2020

Dear Editor;

Please, we would like to submit our manuscript entitled **Feeding preference, duration of development, fecundity and mortality of *Panonychus ulmi* (Tetranychidae) among grapevine varieties and apple tree** by Silva et al., to be considered for publication at *Oecologia Australis*.

All authors have contributed significantly to the manuscript. All participated in the data analysis, writing of the manuscript and revising its intellectual and technical content.

1. All agree to its submission and Darliane Evangelho Silva (corresponding author) has been authorized by co-authors;
2. This article has not been published before and is not concurrently being considered for publication elsewhere;
3. This article does not violate any copyright or other personal proprietary right of any person or entity and it contains no abusive, defamatory, obscene or fraudulent statements, nor any other statements that are unlawful in any way;
4. This material not was published nor is under consideration by another scientific journal and the data/results are not plagiarism.
5. The authors do not have any competing financial interests.

Thanks for your attention.

Best regards,

The Authors
