

Dr. Camila dos Santos de Barros,
Editor in Chief
Oecologia Australis

Campos dos Goytacazes, September 28th, 2021

Dear Dr. Barros,

I would like to submit the manuscript entitled "A LITTLE ABOUT THE SCIENCE OF THE INLAND WATERS IN THE NORTHERN OF RIO DE JANEIRO STATE: CYANOBACTERIAL BLOOMS IN THE LOWER PARAÍBA DO SUL RIVER" by Suzuki, M.S. to be considered for publication as a brief communication in the journal Oecologia Australis, in the special number "Limnologia no Brasil".

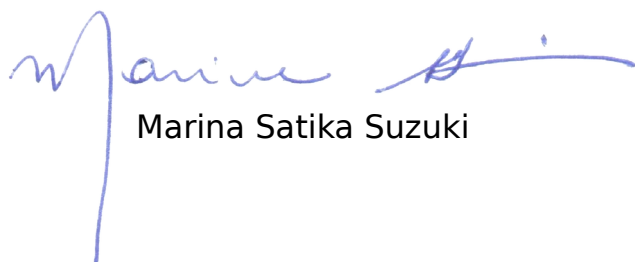

I declare that this manuscript is original, has not been published before and is not currently being considered for publication elsewhere.

As the only author and corresponding author, I know of no conflicts of interest associated with this publication.

I look forward to your positive response.

Best regards,

Yours sincerely,

Marina Satika Suzuki
