

Submission Letter

By the Editorial Board *Oecologia Australis*

Dear Sirs (a):

We are submitting the manuscript entitled: "Life history traits of *Odontostilbe pequirá* (Steindachner, 1882) in the Pantanal Porto Murtinho, Mato Grosso do Sul, Brazil" for reviewing and possible publication in the journal *Oecologia Australis*. The paper was submitted on the journal's website. The authors are in agreement and attest that the manuscript is original and has not been published or submitted for publication in any other journal or scientific journal.

With kind regards,

Karina Keyla Tondato

Clarice Bernhardt Fialho

Yzel Rondon Suárez
