

Acknowledgment to the Reviewers of the Revista Brasileira de Neurologia 2025

The Editors of the *Revista Brasileira de Neurologia* would like to express their sincere gratitude to the reviewers listed below, who generously dedicated their time, expertise, and effort to the peer-review process.

Their invaluable, voluntary contributions were fundamental to maintaining the journal's scientific quality, rigor, and integrity throughout 2025. This collective commitment has been essential to the advancement and dissemination of neurological research.

We extend our heartfelt thanks to all who collaborated altruistically and without financial compensation for the journal's editorial activities.

Thank you very much!
